Dear Parents/Carers

Alder Carr Farm Science Visit – Friday 5th May 2017

I am pleased to inform you of our Year 5 visit to Alder Carr Farm, Creeting St Mary on Friday 5th May. This is an exciting opportunity for the pupils to learn outside the classroom. We have planned various activities linked with our science curriculum and they will also enjoy a tractor tour of the working farm!

Pupils will need to bring a packed lunch and mid-morning snack, if your child is entitled to free school meals please indicate below and a lunch will be provided. School uniform will need to be worn with suitable waterproof footwear. As the weather is very changeable and the farm is open to the elements please provide suitable outerwear for the weather conditions on the day of the visit.

We have kept the cost to parents to a minimum, however we would ask for a small contribution of £3 per pupil. Please complete and return the reply slip below by Friday 28th April.

Yours sincerely

Jackie Kemp
