22nd March 2019

Dear Parent/Carer

It has come to our attention that some parents' have made appointments to see both teachers of the same subject for their child. If this is the case for your child, we will cancel one of these appointments. This will enable us to free up appointments for parents currently on the waiting list. If you are waiting for an appointment, please login again and rebook.

Thank you for your cooperation

Best Regards

Steve Palmer
Head of School
