12th May 2017

Dear Parent/Carer

After working so hard in maths all year, we thought it would be nice if pupils celebrated the end of this ½ term with a picnic on Friday 26th May.

As we do not let them off that easily, pupils will of course need to do some maths to organise this (spread sheets and data collection as well as costing)!

As the picnic would be instead of their lunch, we ask for a small contribution of £2 per pupil to enable us to buy the food and drink that the pupils request. Please return the slip below with payment as cash or via parentpay by Friday 19th May.

Please can you also make sure that if your child was lent a CD for their times tables, it has been returned to their maths teacher before Friday 26th May.

Thank you

Yours sincerely

Charlotte Crichton
Head of Mathematics

Year 6 Maths picnic on Friday 26th May

Child's name Class.....

I enclose £2 cash towards the cost of the picnic/I have paid on Parentpay.

I have returned the CD my child borrowed which was number.....
