6<sup>th</sup> December 2017

Dear Parent/Carer

We have just received a very important message from the Suffolk Cyber Crime Team within the Suffolk Constabulary.

There are accounts on both 'Instagram' and 'Snapchat' that are currently actively seeking young people to follow them to gain access to a video that is of an extremely inappropriate nature involving young children. This of course holds legal complications should you open the link, send it on or store the data on any devices however the police are not looking to criminalise anyone just to minimise the amount of young people this targets. They are actively working behind the scenes to take this material down as soon as possible.

The guidance from the police is for students to **not accept any friend requests from these accounts, to not correspond with these accounts and to delete any data or material immediately should this be on any handsets or tablets.**

The accounts are set up using different spellings and formats, however has an image of a young girl with blonde and brown hair depending on the account.

If students require any advice they should speak to Mr Palmer, Mr Hyndman or anyone in the pastoral team at Horringer Court.

Yours sincerely

Mr S. Palmer  
Deputy Headteacher
