

Horringer Court School Weekly Bulletin

WE 12/05/17

Tuesday 9th May, the U13 boy's tennis team competed against Ipswich High School in the division one league. After narrowly losing their first game to Framlingham, Horringer needed to win this game to give them a chance of progressing into the semifinal. They played some great tennis throughout the match in all the games which showed in the score line as Horringer won 5 matches to 1. A win in the last league against Culford will put Horringer through to the semifinals.

Tuesday 9th May, the U10 mixed tennis team traveled to Culford to play in the Orange tennis tournament. There was a range of experience in the team but everyone competed in every match they played. They went against a strong Culford team first and were able to take some matches but lost overall. The 3rd and 4th playoff against Holbrook went down to a tie break in games where unfortunately Horringer lost but they all did very well.

Wednesday 10th May, the U13 boy's and girl's athletics team competed in the English School team competition. There was a total of 18 schools in the competition where the top two go through. After a long day which saw Horringer compete very well in track and field, the girls came 4th narrowly missing out and the boys finishing in 3rd place.

There is a quiz on the library wall to answer questions about basic "Cherub" undercover training. You answer the five questions and your slip goes into a draw. The last Friday of this half-term the winner will be announced.

"Cherub" are undercover teenage agents who investigate and solve mysteries and crimes. We have the series about the agents in the Library written by Robert Muchamore (they are for year 7 & 8 to read but all year groups can take part in the competition).

Also next Wednesday break time we are having a cake sale in aid of the Library. All cakes and cookies 50p each

Year 6 have been working outside this week to make nature sculptures in art.

There will be Parent Information evenings for the Activities Week residential trips on the following dates: Year 5 22nd May, Year 7 23rd May, Year 6 24th May and Year 8 25th May. All meetings will begin at 6pm

From The Very Start

We were together from the very start,
You and I, two beating hearts.
I don't mean we met when we were little -
Quite literally from the start.
We grew up together,
And laughed for oh so long,
About little things that tickled us
From a picture to a song.
We went to school together,
And found other friends,
But when the bell went for home-time,
We were always together - in the end.
We moved house many times,
And shared many rooms,
We always played lots of games
With sound effects like ZOOM.
We grew up even further
And developed inside jokes.
We kept on reading lots of books,
That filled us with high hopes.
We will keep on growing,
Until we're grey and old.
But, until then
We'll keep acting like 4 year-olds

Edie Huckel

Year 5 Visit to Alder Carr Farm

The weather was on our side for our annual visit to Alder Carr Farm, where farm owner Barry welcomed us for a day of exploration and adventure. Pupils completed a rotation of 4 activities: Mini Beast Hunt, Meadow Survey, Tractor Trailer Ride and Crop / Animal walk. The day was enjoyed by both pupils and staff and the children especially enjoyed cuddling the chickens!
