

WE 22.03.19

Dear Parents/ Carers,

We are rapidly approaching the end of term and the start of the Easter holiday. It is hard to believe that we are close to the final term of the school year. We will be running our usual Easter Egg raffle on the last day of term. Students who bring in Easter Eggs for the raffle will receive credits towards their overall total. Raffle tickets will be on sale during the last week of term at 20p a ticket. We will limit the purchase of tickets to £5 per pupil.

Next Wednesday is the Year 7 parents evening. I hope you have found the new booking system easy to use. I would welcome your feedback about it on the evening. If we do go ahead and purchase the system there are tweaks we can make to ensure as many parents as possible can see teachers.

If you receive funded transport to school you will need to 'opt in' to the local authority offer. Information about opting in can be found at the address below

Wishing you all a restful weekend.

Academy maths team challenge at Cambridge.

Isla Cockerton and Cleyton Taylor-Anderson from Horringer Court were the Year 8 representatives on the Academy maths team for the UK maths team challenge held at Cambridge on Tuesday 19th March. The pair had been in training with Mr Masterman for several weeks with two Year 9 pupils from County Upper who made up the rest of the team. The four, despite not being in the top three, collaborated really well with tough competition.

Safeguarding:

At Horringer Court Campus we consider safeguarding to be everyone's responsibility and as such our aim is to create an environment within which every student has the opportunity to be healthy, stay safe, enjoy and achieve, make a positive contribution and achieve economic well-being.

If you have any worries or concerns about a child's safety or wellbeing please contact us and speak to a member of the Safeguarding Team.

However, if you feel that a child is in immediate danger you can call the Suffolk Safeguarding team directly at Customer First on: **0808 8004005**

Online Safety:

The internet is amazing. Children can play, learn, create and connect - opening up a whole world of exciting possibilities. But with the digital world changing all the time, how can you make sure your child's staying safe?

Whether you want to set up parental controls, adjust privacy settings or get advice on social networks, you can find advice and help on the schools website by following the link below.
