Friday 3rd May, 2019

Dear Parents and Carers,

Year 2 SATs

As you may be aware, schools are required to report children's attainment at the end of Key Stage 1 (Year 2). This is done through teacher assessments and a range of evidence is used to inform a decision, including the formal SAT tests. These tests are a standardised test and are sat by children in Year 2 across the country during May.

The SAT tests are carried out under test conditions and have to be completed independently. Each paper takes about an hour. The children will only sit one paper a day and will not sit a paper every day. Teachers have thought out when the tests will be taken and have made suitable access arrangements for children too. You will be informed about your child's attainment in their end of year report; this is their teacher assessment, not individual test scores.

These tests are nothing for the children to worry about. They have had some experience of them within class, where they have used past papers to look at the style of questions and to learn how the papers work. If you have any concerns, please speak to the class teacher.

Yours faithfully,

A handwritten signature in black ink that reads 'H Brookman'.

Miss H Brookman
Head of School
