

Half-Term Challenges

Challenge 1: Can you read every day?

The children have an opportunity to read in school at least once a day. Reading for enjoyment is really important. We are challenging you to read every day over the holiday; this can be reading your school book, or a bed time story. You could even visit the town's library to choose some other books to read.

We look forward to hearing about the books you read.

Challenge 2: Daily Activity

Since Easter, the children have been taking part in the daily mile—we have seen the children's fitness improve in this short half-term. We are challenging the children to do something active every day. This could be to walk/run a mile (1.6km), or it could be to play a game of football, dance for 30 minutes.

The staff are joining in with these challenges too.

Please take photos and share with @TollgateHead on Twitter, or post to the Friends of Tollgate School Facebook page. We look forward to seeing how you take on the challenges!
