## Music for Youth

Dear Parents and Carers,

I have applied for choir to take part in the Music for Youth Festival. This is a national event celebrating youth music. The first stage involves performing at a regional festival or submitting a recording. Feedback is given and some choirs are invited to take part in the national events later in the year.

Unfortunately, we cannot attend a regional festival due to location and timing. Therefore, we will be submitting a recording of choir performing. We are very lucky as the County Upper band is going to accompany our performance.

We will be walking to County Upper School on Thursday 14<sup>th</sup> February during the afternoon to record our performance. Some of the media students are going to film it and edit the footage. We will walk back to Tollgate in time for 3.20 pm. This walk is covered by local visit permissions.

Once edited, the video will be shared with Music for Youth. Ideally, we will do this using the school YouTube channel, which would mean you could watch the performance too. If you have any concerns about this, please speak to me directly.

Yours faithfully,
