

# What is STEM?

The **NEW STEM School** needs creative pupils!

## Art Competition

Design an A4/A3 poster to show what you think of when you hear the word **STEM**

**STEM stands for Science, Technology, Engineering and Maths so your poster should reflect at least one of these areas.**

The deadline is **7th September** and all posters can be handed in at any Trust School.

The posters will be judged by a panel from which five will be chosen to be used in the new STEM school promotion and ultimately be displayed at the new school when it opens in September 2019.

The winners will receive an Art Supplies package and book token.

All enquires should be sent to: [stem@burytrust.org](mailto:stem@burytrust.org)
