Dear Parents and Carers

Staffing and Classes – September 2018

We are fast approaching the end of this academic year; the time has certainly flown by. It has been a pleasure to work with the whole community at Tollgate throughout this year. You should all feel very proud of your children in relation to their exemplary behaviour and the progress they have made in their learning. They are a credit to you all.

I know that you are all keen to find out which class your child is going to be in next year. Therefore, I am writing to advise you of the changes that are taking place in September. We have decided to regroup the children across the two classes in their year as well as change the class names across the whole school. The teachers have worked incredibly hard over the past few weeks establishing the new class lists to ensure there is a good mix of children across both the year group classes. The theme for our class names is 'Woodland Creatures'; these are animals that we would find in our local community.

All our staff love working at Tollgate and therefore, we are pleased to say that the staff will remain consistent for the next academic year. However, a few teachers will be moving year group and we do have a new teacher Mrs Fleet, who will job share with Miss Brookman due to her appointment as Deputy Headteacher in September.

Please see the list of the classes, teachers and the support staff which will be in place from September. You will also find attached a slip detailing your child's new class. Due to the changes, we are having additional transition sessions at the beginning of July for the children to get to know their new teacher and class members.

If you have any questions or queries regarding this please speak to a member of staff or myself.

Kind regards

Claire Bates
Headteacher
