

Thursday 14th March 2019

This Week:

- We had an assembly from Jane O'Shea from Suffolk Young Carers. Jane shared information with the whole school on what support is available to Young Carers. It led to an interesting discussion around chores!
- Year 4 took part in a maths morning at Horringer Court. The children really enjoyed mixing with pupils from the other campuses and testing their maths knowledge.
- A group of Year 3's have been taught a new skill by pupils from Westley Middle. They enjoyed learning how to make prints. The rest of Year 3 will have an opportunity next week.

Science Week 2019

This week we have all celebrated Science Week by learning about a famous scientist, engineer or mathematician.

Reception: Isaac Newton

Year 1: Isambard Kingdom Brunel

Year 2: Robert Bunsen

Year 3: Rosalind Franklin

Year 4: Marie Curie

Representatives from each year group shared their research with the whole school in a special assembly on Thursday. The children and staff have all learnt something new!

Award Winners

These children received their superhero cape for showing **resilience**.

Ladybirds

George
Leanna-Lou

Butterflies

Henley
Lilly C

Bumblebees

Reggie
Ruby

Robins

Maya
Parker

Woodpeckers

Frankie F
Frankie L
