

Year 4 Rainforest

English

Pupils will be reading lots of texts about the Rainforest. They will be working on persuasive writing and report writing relating to this topic. Ongoing spelling and grammar work will be stressed in class.

Please continue to ensure that your child reads at home.

Maths

Pupils will be continuing with fractions, decimals and percentages. Pupils will then explore shape and angles. There will also be continued focus on multiplication facts during this half term.

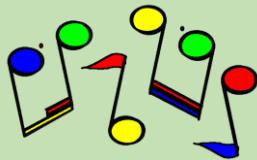

Any help with multiplication facts at home would be appreciated.

Art

Pupils will be working with textiles to make a pencil case including needle work and machine work.

Music

Pupils will be working with music notation and rhythms.

PE

Pupils will be having PE on Tuesdays and Fridays. Both lessons will be outside on the field so appropriate shoes are needed.

Science

Pupils will be finishing the water cycle and then move on to habitats.

ICT

Pupils will be focusing on research and using power point.

French

Pupils will continue to expand their vocabulary and practise speaking.
