## Survey of support for remote learning requirements

We are currently updating our records so that we can support students with remote learning. Thank you to all those who have replied. It would be helpful if the remaining parents could complete the survey [here](#)

## Year Group News

### Year 9

- Thank you to those who have completed our **remote learning agreement**. In case your child needs to access lessons from home, we do need your agreement to our arrangements. The agreement can be accessed [here](#).
- This year's **curriculum booklet** is now on our website at [Curriculum Year Booklet \(Y9\)](#). The beginning of year talk is also still available to view [here](#)

### Year 10

This year's **curriculum booklet** is now on our website at [Curriculum Year Booklet \(Y10\)](#). The beginning of year talk is also still available to view [here](#)

### Year 11

- This year's **curriculum year booklet** was sent home via Parentmail on Wednesday and can also be found on our website at [Curriculum Year Booklet \(Y11\)](#)
- Parents often like to book **holidays** after their children's last examinations in June of year eleven. We appreciate the uncertainty around holidays at the moment but would wish to emphasise that there is, as yet, no decision about the timings of next summer's examinations and they could well be held later than usual. We therefore strongly advise against booking any holidays during the summer term.
- This year's **sixth form open evening** will launch as a virtual evening on **Thursday 12<sup>th</sup> November**.

## Next week's menu

- This can be found [here \(menu week 2\)](#). Please continue to complete the lunch form found [here](#). **Please ensure that you enter the correct meal dates on the form to ensure that your child gets their selected meal on the right day.** At breaktime next week, all students are able to

access the service every day from the main servery in the dining room.

- Students who go **home for lunch** need to be in lesson 5 at 1.45pm from Monday.

## 'The Accolade'

The first of this academic year's monthly success newsletters was sent home on Wednesday by parentmail. It is also available on our website via this link [The Accolade - Sept 20](#).

## Other additional support

- Access to **online resources** that can support students can be found on our website: [Student Online Resources](#)
- If you feel your child would benefit from some **additional emotional support** or, as parents, you would like some **e-safety advice** please see details below:

## e-Safety
